

From the Raven's Nest...

for Friday, April 8, 2022

Dear Families,

We hope you had a great break.....

Well it has been a long week with getting back into the routines of school life. Who knew that two weeks off could be so habit forming? We have really enjoyed seeing students back in school, and by seeing, I mean it has been great to see the smiling faces of our students. I always knew facial expressions were important but it really has been nice to be able to smile at each other and feel like we are moving back to a more normal day to day routine.

We are also looking forward to the opportunity to get together in larger groups for events such as our Spring Concerts (on April 27th) and for our Celebration of Learning and Young Entrepreneur Fair that we have scheduled for May 4th. These events we are planning to be able to invite families into the school to celebrate the talents of our students. We look forward to see you at these events and hope that you will add them to your family calendars.
