

From the Raven's Nest...

for Friday, June 2, 2023

Dear Families,

June is upon us... First of all, a big thank-you to those of you that were able to join us for the Spring Concerts and especially to Ms. McDonnell for all of the preparation that she did to make it such a success. As June rolls along, we are trying to wrap up various projects, learning opportunities and celebrate how far the students have come this year. There are many different activities coming up so I am sure this month will speed by as quickly as May did. I know that some families already have plans for the summer and if your child will be away for any reason please ensure that you let your child's advisory teacher, as well as the office know.

We are also busy looking ahead to next year and staff are working hard to build classes and schedules and all of the pieces that go along with that. If you know that your child will not be returning to Rockheights (and they are currently scheduled to do so) and you have not informed us, please do send me an email (amaxwell@sd61.bc.ca) so we have that information for our planning.

Pizza reminder! – If you are interested in ordering Pizza for your child please do so using SchoolCash Online **before Sunday at midnight**. All pizzas are on whole wheat crust and pre-orders are required.

Athletic Leadership application: If your child is interested in being a part of Athletic Leadership next year here at RMS, please encourage them to see Mr. Roy for application information. All applications need to be submitted by Friday June 9!

Library and other school resources- as we get to the end of the year one challenge is to gather all of the resources that have been distributed throughout the year. We need your help to gather library books, technology, athletics uniforms, etc. If you could please take a minute this weekend and ask your child to go through their rooms to see if they have anything to return to the school. Thank you!

CC Afternoon: - We know that this can be a challenging time for some students as we transition to the end of the school year to keep track of the various events. As it is the end of term three we will be having our **CC afternoon on June 16** for students that have missing assignments. Please watch for those forms near the end of this coming week.

2023/2024 School Calendar: - We know that this may feel like a long way away, but I have also attached the general school calendar for the next school year. I hope you can add these dates to your family calendars to help with long term planning for your families.

We have been, and will be, sending home class specific information (and permissions slips) for the various events and field trips between now and the last day of school . We appreciate your help in getting those back and look forward to learning and celebrating the last month of the school year.

*Sincerely,
Mr. Maxwell*
