Aprilmayjune...

After spring break it often feels like time speeds up. The combination of term three busyness along with planning for year end celebrations, and starting to plan for next year's start up, it is a busy time of year. It often feels like April, May and June combine to form one hectic period of time!

That being said, it is also a time where we get to start celebrating the progress that students have made this year. On Friday I was privileged to accompany some of our grade eight students as they shared the learning they have done as part of their focus on Exploring the Salish Sea. In fact some of their artifacts are on display today down at the RBCM as part of an exhibit with artifacts from groups throughout our district. We also are looking forward to welcoming all families in for our Parent Teacher conferences on May 7. We hope you mark your calendars and we will have more information in next week's update.

As I mentioned last week, we really appreciate your reminders to students to dress for the weather and to bring a water bottle as this will help them be prepared for the various outdoor activities that are planned. It is also peak allergy season so if your child has allergies then we realize this can be a challenging time. Just a reminder that we can not administer any medications without a plan and a medication administration card which needs to be completed by your physician.

What's happening next week at Rockheights:

Monday, April 28th - FEDERAL ELECTION – Please get out and Vote!

Tuesday, April 29th –

- Pizza day - Preorder using www.schoolcashonline.com

Wednesday, April 30th

Thursday, May 1st

- SUBWAY day for those that pre-ordered

Friday, May 2nd

Looking Further Ahead:

May 7 – Student Led Conferences

May 15 – District Transition Day

May 16 – Professional Development Day

Pizza Reminder...

We have weekly order options available online right now through www.schoolcashonline.com Thanks!

LAST CALL - We want your feedback: As part of our desire to improve our practice, Ms. Singh and I appreciate regular feedback on how we are doing as administrators. This year, I am conducting a formal evaluation for Ms. Singh and would appreciate your feedback on her effectiveness as an administrator in our school community. Part of that process is a survey for parents to complete.

We would really appreciate if you could please take some time to complete the survey. The data is collected anonymously and is very important for the evaluation process to gather as many perspectives as possible. The survey should only take about 10-15 minutes, and the feedback will help inform her practice as well as help me in the creation of her evaluation report.

The survey link is <https://forms.office.com/r/n8udzNRUnH> or you can access it by clicking [HERE!](#)

Thank you for your feedback. The survey closes on Sunday at 3pm.

At Rockheights, we use our unique strengths and challenges to build an empowered community.
