

From the Raven's Nest...

for Friday, April 4, 2025

We hope you had a great break..... Well it has been a long week with getting back into the routines of school life. Who knew that two weeks off could be so habit forming? We have really enjoyed seeing students back in school, and helping them get back into the swing of daily routines and expectations.

We know that it is a challenge to help students get back into the regular sleep and eating routines and we really appreciate your support with that. Also, sending your child with a reusable water bottle is also a benefit to help them stay hydrated and that helps them focus during the day as well. Thanks for your continued support.
