for Friday, June 6, 2025

CC Afternoon on Wednesday... Here at the school we are working hard to get tasks tied up and your child's summary report generated, reviewed and ready to send home. Wednesday is our CC afternoon so forms have been sent home and need to be returned on Monday so you are aware if they are required to catch up on missing or incomplete assignments. **All students are required to return their forms by Monday to ensure we have your permission for them to be dismissed early on Wednesday.** If your child has not brought home a form yet, please connect with their Advisory teacher via email to clarify. Teacher emails can be found on the staff list on our school website or by clicking [HERE](#).

Sincerely, *Mr Maxwell and Ms. Singh*

CC Afternoon: - We know that this can be a challenging time for some students as we transition to the end of the school year to keep track of the various events. As it is the end of final term we will be having our **CC afternoon on Wednesday June 11** for students that have missing assignments. Please watch for those forms and return them by Monday June 9 so we can plan for the afternoon. **Students that are all caught up will be dismissed at 11:35am.**

Library and other school resources- as we get to the end of the year one challenge is to gather all of the resources that have been distributed throughout the year. We need your help to gather library books, technology, athletics uniforms, etc. If you could please take a minute this weekend and ask your child to go through their rooms to see if they have anything to return to the school. Thank you!

2025/2026 School Calendar: - We know that this may feel like a long way away, but I have also attached the general school calendar for the next school year. I hope you can add these dates to your family calendars to help with long term planning for your families.

We have been, and will be, sending home class specific information (and permissions slips) for the various events and field trips between now and the last day of school. We appreciate your help in getting those back and look forward to learning and celebrating the last month of the school year.

FREE Gang Education and Safety Seminars! With school ending for the summer break, many folks in the community have come forward to ask for another information session surrounding gang trends. We are pleased to announce that **Saanich Youth Services in partnership with The Saanich Police Department** will host two educational sessions outlining the current gang trends in the area, recruiting practices and how to watch for indicators in your children and teens. These safety seminars will help you to be informed about the issues and trends in our community. Feel free to come alone or bring your child with you. Each session will offer the same information, but we have provided two dates to accommodate more people. Space is limited so register now to secure your spot. This program is suitable for ages 11+.
