Parent-Teacher Communication Week...

This is the week that we have a very important event on Wednesday and Thursday. Parent-Teacher Communication sessions (or Parent Teacher Interviews) are happening, and this is a chance to connect with your child's Advisory teacher and get an update on how they have settled in as well as discuss how best to support your child going forward this year. These discussions are crucial for a successful year for your child as we need to establish a team approach to supporting their learning. We realize many of you have been in regular contact with your child's teacher and this is another opportunity to collaborate as we work together. Meetings will take place on Wednesday (3pm – 7pm) and Thursday (2pm-5pm) and are being scheduled by your child's teacher. If you have not already done so, please ensure that you have returned the form or set up an appointment to meet in person or connect to conference with your child's teacher.

HEAD LICE AWARENESS

Head lice are common in BC communities. Although they are a bother, **head lice are not a health risk.**

Head lice spread quickly by close, head-to-head contact. Lice cannot live on furniture or carpet, and they cannot jump or fly. There may be few or no symptoms, but itching may occur.

You can help by:

1. Checking your child's head with the wet combing method of detection once a week throughout the year.
2. Review the pamphlet *How to Get Ride of Head Lice Wet Combing*, available online, at your school and [Public Health Unit](#).
3. Encouraging your child to wear their hair tied back.
4. Reminding family and friends about the importance of routine head checks, using the wet combing method.

For more information: Your local [Public Health Unit](#)
Read the HealthLink BC File on Head Lice [HealthLink BC File #06 Head Lice](#)

We hope that you all have a great weekend look forward to seeing you at next week's Parent Teacher meetings!

Sincerely,

Aaron Maxwell & Beth Richardson

Community Opportunities:

To the left is a poster promoting a local youth production of *Beetlejuice Jr, the musical*. One of our students is in the play so we look forward to supporting them. The show is rehearsing at Theatre al Dente here in Esquimalt and has other former Rockheights Alumni in the cast. It runs at Belmont on October 24, 25, 26.
