

From the Raven's Nest...

for Friday, October 3, 2025

So, October is upon us, which means that the weather is getting colder and the days are getting shorter. Please help your child make good choices in terms of their attire as many of our students showed up this morning drenched from head to toe. Some of them were only wearing t-shirts and with all of the colds and flu bugs going around, it means they are prime to get sick.

We also appreciate your help with student hygiene. We are a scent-free building (although I am the first to admit that being scent free is not possible with 300+ adolescents running around in our building) so I am asking that you encourage that your child(ren) keep that in mind when they come into the building. Some of our students are bringing body sprays or perfumes and some have even sprayed them in the classrooms or on other people, which is obviously unacceptable. Please remind your child that if they are wearing deodorant/anti-perspirant then they should apply it at home in the morning and not bring the dispenser to school. Hygiene is important, but we also have people that are sensitive to strong smells so we must be cautious with scented sprays, deodorants or perfumes. Thank you for your support with this.

Athletics - Congratulations to all of the students that took part in Cross Country and Soccer. Also, a big thank you to Ms. Learned, Mr Cambell, and Mr. Percival for volunteering to coach our school teams. The seasons are wrapping up this week for Cross Country and the students did an amazing job, not only competing in their respective sports, but also representing our school community through sportsmanship, teamwork and cooperation. We are very proud of our young ravens and look forward to the next group of athletes that will represent us.

That being said, the next sport of the year is basketball, so please encourage your child to listen for the announcements and to sign up for one of our teams on the Athletics board. No experience is necessary, and we expect we will be fielding multiple teams, so if you are interested/willing to help out with coaching please let Mr. Campbell know. He can be contacted by email at lucampbell@sd61.bc.ca

Thank you again for your support and we hope you enjoy the weekend!

Sincerely,

Aaron Maxwell
