Time for a Break...

I hope that as you are reading this you are looking forward to a couple of weeks of rest and relaxation with your family. Thank you to those of you that accessed your child's Learning update through Parent Connect. If you have not, we hope you can log on via <https://parentconnect.sd61.bc.ca/Identity/Account/Login> which is the same website that you used to grant permissions at the start of the year. For instructions on creating an account, visit our school district website at <https://www.sd61.bc.ca/parent-student-resources/parent-connect/>

Goal setting is an important part of your child taking ownership over their progress and we hope that they will be able to share why they set the goals that they identified in their report. If you have feedback or suggestions about these discussions please feel free to share them with your child's Advisory teacher or with me directly. I know that for many of you, student portfolios are a new(er) media and this can be challenging to know where to look. For information on this please click [HERE](#).

It has been a long term for many of our students (and staff) and on behalf of all of the staff here at Rockheights, we hope that you have a great break and that it is full of quality time with family and friends.

Sincerely, *Mr Maxwell and Ms. Richardson*
